

Section 13-1-128 NMSA 1978 (being Laws 1984, Chapter 65, Section 101, as amended) Subsection E required by NM to post on local public body web site.

SOLE SOURCE PROCUREMENT JUSTIFICATION FORM

Date: May 8, 2024

Bid Number: Sole Source Tyler Technologies School ERP

Bid Title: Sole Source Tyler Technologies School ERP

Vendor/Contractor

Name: Tyler Technologies

Address: PO Box

City, State, Zip: Dallas Texas

Cost: Between \$50,000 and \$200,000

Term of Contract: Yearly

Description of Item/Service to be procured: (listing of the services, construction or items of tangible personal property procure)

Financial system software, Time and Attendance Implementation, and services associated with each.

Justification

Tyler has a CES contract, and the purpose of this sole source justification is to include those components which may or may not be included in the contract. Tyler Technology provides proprietary software for financial, accounting and budgeting functions. Certain additional components including employee information system and time keeping also interface with the system. Tyler is the sole vendor who can provide and service these systems.
